RAYMOND A. SULLIVAN
Headmaster

To the Graduates of 1966

To program your lives successfully you will need to sharpen every power of analysis you possess. During your years here, the entire faculty has exerted its entire effort to develop each of you into an individual properly equipped to strengthen the fabric of your surroundings. We realize that solutions of your individual plans depend on your precise personal components. Providing an atmosphere and environment in which you may explore the avenues open to you, and in which you may prepare to acquire the techniques necessary to attain the goals you seek, has been our constant ambition. We on the faculty hope that all the members of '66 will avoid the chaos of irresponsibility and the nemesis of mediocrity and contribute successfully to the development of the changing world.

Class Officers

Sitting: Sandra Dunsford, Ruth Gauthier. *Standing*: Sandra Angier, Bob Dyer. The Second Vice-President, Dorothy Smallwood, was absent.

Class Ode

Lead us, Oh Lord, as on our way
We strive to right each day;
Help us to meet sorrow and strife
To face life's challenges.
As days pass by we may be called
To serve our country well;
Help us, Oh Lord, to keep us strong,
The cross we bear is long.

Bring in the new, preserve the old;
Like summer's heat and winter's cold
We'll change according to the time.
Help us to choose our course.
Our hopes, ambitions, and our aims
A challenge to us all,
We'll learn to grow with all our goals
Through storms and treacherous shoals.

Words by David C. Talbot
Music by Kathryn Rodger

Since September of 1965, the staff of the "Spindle" has labored diligently to produce a yearbook worthy of the class of 1966. Much time and effort has gone into the publication. For its success, much praise and thanks goes not only to the staff members for their work but also to the faculty and student body for their cooperation.

All efforts would have been in vain, but for the guidance, patience, and assistance of Miss Anna Ryan. For this we extend our deepest gratitude.

The following pages are intended to give enjoyment, and to bring many happy, humorous recollections that will be treasured for years to come.

Golf

Due to the loss of two key players, the golf team suffered another losing season in '65. Although the team did play well in spots, it was able to bring home only one victory, against Lawrence Central. The other teams on the 1965 schedule were Keith Academy, Manchester Central, Nashua, and Chelmsford.

Under the directions of Mr. Joseph Petros, the prospects for this year are good, since everyone from last year's team is coming back and help is expected from some of the new underclassmen.

The annual band concert was presented in April. Graduation exercises climaxed the band's activities.

Baton Twirlers

Thirty-one years have passed since baton twirlers started in 1935 at Lowell High School with a membership of forty girls.

In our thirty-first year, under the guidance of a former Head Leader, Mrs. Barbara Quinney Capone, we have changed the colors to a brilliant red and white, stunning on the field and in parades. After the girls are chosen for the drill team, they practice hard for two or three years to try out for leadship in their senior year.

This year, every two months, Mrs. Capone held contests of her own to help new girls. During the year the twirlers traveled throughout New England competing for trophies and medals. These medals are won by the individual girls in competitions organized by the Massachusetts Baton Twirling Association and the Rhode Island Baton Twirling Association.

The girls have not only made a name for themselves at the various contests but are an asset to Lowell High School and to their Community. They have happy memories of all the football games, especially the Thanksgiving game.

This organization has led the way with the first precision twirling and marching unit in this part of the country.

At the end of their Junior year, eighteen girls from the Business Course are selected on the basis of scholarship, attendance, deportment, knowledge of languages, and of science, to work in Personnel. Under the guidance of Miss Mary V. Lyons, they type, mimeograph, and duplicate. The girls in Personnel are a great asset to the school because the duties they perform save the faculty valuable time. In return, the training and experience they receive is of great value to them when they enter the business world.

By order of the School Committee and under the guidance of Mr. Arthur O'Neill, the council has written and adopted a new constitution. For the first time, students of all four classes elected representatives. It is the hope of this year's Council Representatives that efforts in 1965-66 will help next year's council to assume a new importance of the student body.

Floormasters' Secretaries

Each spring, a group of qualified Junior girls from the Secretarial Course are chosen to act as floormaster's secretaries. Miss Mary V. Lyons selects girls who have good typing ability, shorthand and filing skill, and neat appearance.

These experiences are a great help to Senior girls preparing for a future in the business world.

National Honor Society

The privilege of wearing the National Honor Society Pin is reserved for those students meeting certain requirements: character, scholarship, leadership, and service. Juniors in the top 10 per cent of their class, and seniors in the top 15 per cent of their class are eligible to be elected. To become a member of this society is one of the most honored scholastic attainments a student can achieve.

The purpose of this society, founded in 1927 by Miss Helen Choate, and now under the guidance and leadership of Mr. John Leary, is to stimulate the students' interest in scholastic achievement and in individual character development. The members not only uphold the good standards of the society, but also bring credit to the school.

The Girl Officers' Regiment of Lowell High School has been in existence for over seventy years. The traditional "blue and gold" of the uniforms has become a symbol of service both for school and civic endeavors.

The specific purpose of the organization is leadership in the girl's physical education department under the direction of Mrs. Bernard J. Burns.

After a day long competition in posture, marching, voice, gymnastics, dances and Indian clubs, seventy-two girls are chosen from over three hundred juniors.

The girl officers hope that the organization will continue for many more years so that other girls will experience the wonderful times they had at try-outs, the Mid-Winter Ball, Harvest Dance, May Dance, and Field Day.

Distributive Education

To qualify for the course, such factors as scholarship, attendance, personality, appearance, conduct, and interest are evaluated.

The co-operative plan of combining in-school training for high school seniors with related practical experience on supervised positions has been successful. Lowell merchants cooperate with the school in providing the training and experience on the jobs.

Two personnel directors from our local stores interview prospective students at the end of their junior year. Their previous high school record, plus the personnel director's rating determine which students are acceptable for employment.

The four major subjects studied are: Business English IV, Techniques of Selling, Economics of Retailing, and Merchandise Information.

The syllabus followed is the prescribed guide furnished by the Massachusetts State Department of Education, written by Miss I. McKay, State Supervisor of Distributive Education.

Hidden in an obscure corner of the basement lies one of the most fascinating rooms in school. Most students never or hardly ever stop to think about the bookroom, yet every student in the high school makes use of this room many times a year, for in it are shelved the literally thousands of volumes for use by all the English classes.

In charge of all these volumes is Miss Helen Shea, head of the English Department. She has the monumental tasks of distributing the books, accounting for those lost or destroyed, and choosing and ordering new ones so that the supply is always kept up to date.

Switchboard Operators

The switchboard operators are vital in the communication system of Lowell High School. They must be competent, tactful, and courteous. They are chosen from a long list of applicants. Among their various duties are: outside and interoffice communication, sorting mail, writing, filing, and posting dismissal slips. Without these operators communications would be greatly impaired.

Its purpose is to encourage participation in and to gain a greater knowledge of the currently popular sport. Membership is open to all interested Freshmen, Sophomores, Juniors, and Seniors. During the skiing season, the club made trips to Sunapee, New Hampshire, where the ski enthusiasts had an opportunity to take lessons and enjoy the sport. Meetings are held frequently during the winter season with movies and speakers on the agenda.

The purpose of the Future Teachers of America Club is to help students who feel they might be interested in a teaching career. During the year the club has been in existence, it has provided its members with opportunities to observe teaching methods on various Lowell schools, and to visit classes at Lowell State College.

Actual teaching experience has been acquired by several who have taken part in the club tutoring project under the direction of the tutoring chairman, James Skehan.

A dance committee, under the chairmanship of Andrea Fawcett, put on a record hop featuring disc jockey Bruce Bradley. Proceeds from this are being used to award two $200.00 scholarships to senior members of the F. T. A. who are to be teachers.

The Chorus

As the name implies, this group comprises only those students who qualify and pass the audition to perform in this group. The technical and artistic requisites are: to sight read and memorize music, to possess a strong and pleasing voice, and to have a flexible voice and mind. A student must also display qualities of leadership, must be responsible, reliable, and co-operative.

A minimum of two periods per week and one Wednesday afternoon rehearsal, for one and a quarter hours are a must.

The Chorus sings at all the school assemblies, the Citizenship Ceremonies at the Court House, at the City Hall Christmas Lighting Festival, at Civic appearances, at the School Show, and at the North East District Music Festival.

Miss Florence Savas, who directs the Chorus, says that many students find this musical foundation invaluable to them in college and in music careers.

The Regiment

Since 1880, the faithful Cadet Officers have honored their school by their outstanding character and performance. Under the capable leadership of Lt. Col. John Beaulieu and Major James Murray, the regiment has been impressive throughout the years in precision and smartness.

The highest ranking Cadet Officer, Brigadier General, is the student leader of the Junior and Sophomore Battle Groups. He is assisted by a colonel, five lieutenant-colonels, eight majors, seventeen captains, twenty-nine first-lieutenants, and twenty second-lieutenants.

The Cadet Officers of 1966 have many cherished memories, of their experiences in the Lowell High School Boys Regiment and also at the Cadet Officers Ball. Field Day and Memorial Day are unforgettable events in the life of every cadet.

SPORTS

By Perry McDonough

BASKETBALL

Lowell captured its fourth victory of the season when it finished strong to down Peabody 75-62, with the locals tossing in 29 points in the fourth period. Larry Goodrich was the standout for Lowell as he scored 23 points—12 in the final period—and grabbed 16 rebounds. Captain Tucker Sheehan (19 points), Dave Maille (15) and Dave Levine (11) also scored heavily for the Red and Gray, while Dick Bouchard played another fine defensive game. Captain Sheehan still leads Lowell in seasonal scoring with 192 points, and Goodrich has collected 182. Maille is third at 128, trailed by Bouchard with 63, Levine 35, Dick Nichols 34, Dave Cunningham 29, Brian Mahoney and Mark Ryan 23 apiece, Chris Cox 22, Andy Bordawka 12 and John Lowe 11.

Debaters to Compete

The Greenhalge Debating Society through the guidance of Mr. James Fin and the leadership of James Bassett, president; Gerry Murphy, vice-president; Debbie Shapiro, secretary, and James Skehan, sergeant-at-arms, has been absorbed in many heated discussions during its weekly meetings. The sessions are usually held Thursday afternoon, and last about an hour. Some of the topics touched at these gatherings included Vietnam, Rhodesia, and the aspects of the draft.

Until now, the entire program has been exclusively debate among society members, but there is an upcoming debate with another high school. The topic is: resolved that there should be compulsory labor-management arbitration.

Chorus Gives Recitals

During the last hectic weeks before Christmas vacation, the Special Chorus and a Capella Choir enjoyed the privilege of performing at various social and civic functions throughout Greater Lowell.

FTA Observes

Members of both the Future Teachers of America and The National Honor Society have offered to tutor students who are having difficulty in their subjects. Tutorers work in the subjects of their choice and may have as many as three students at a time.

Math Club Meets

On December 17, an interesting and informative meeting of the Math Club was held. The guest speaker was Mr. Walter Copley, an assistant professor in Mathematics at Lowell State College. Mr. Copley already holds his bachelor and masters degrees which he earned at Boston College and is presently working for his doctorate at Boston University.

The subject of his talk was the Set Theory of Natural Numbers. He gave the club members a brief history of mathematics starting with the column system of addition and going into the abacus and the modern day algorithm system.

After the meeting, President James Skeehan presented Mr. Copley with a pen and pencil set as a token of the club's appreciation to him for his fine talk.

Scientists Travel

An enthusiastic group, capable officers, and some interesting plans compromise this year's Science Club's formula for success.

Films, or talks of scientific interest, such as the one already given by Len Lisien on computers, make up the program of the meetings, which are held on alternate Thursdays, in Room 310.

The officers, C. Robert LaRiviere, President; Walter Peterson, Vice-President; Pam Kmiec, secretary; and Paul Morvan, treasurer; under the supervision of Dr. Grondolski, have already made tentative plans to visit a Western Electric plant and Boston's Museum of Science.

BLAH

Pete Kealy; "Did your grandmother really die of that?"

How did Dick Redman hurt his hand in the lunch room? Humphrey Nangle can answer us, can't you Humph?

Has everybody heard? Marina washed her hair!

Did Franni, Lee Ann and Tina really go to see The Wizard of Oz?

What senior girl waits with bated breath for her English class every day? Could it be you, "Charlie?"

Is Ginny Danas still going with Bill Brown? Of course she is!

Franni Corby: Do you really think Dave Ryan looks like Rodney Harrington?

What boy in 226 A hour turns around at the most peculiar moments? Could it be Scott Keenan?

Martha Williams says that the word "twink" is acquiring a new meaning.

Arlene McAuliff has been running around with kittens lately.

Cathy Jones is going to represent Lowell in the Junior Miss Pagent. Good luck Cath!

I heard Donna H. is making a new dance and calling it the "backswing."

Who is really "Superman" in disguise?

The big question at L. H. S. this month: "Why is Paul Gianotis trying to reform?"

Why is Jo-an Boumila "lonely" six days out of seven?

Is Dave Sloan really going out with Tootsie Trainer?

Why does Steve Flynn like meat balls?

Sue Silver: don't you tire of pulling Him around by the collar?

Bruce Carney: you tripped over a mouse and a pigeon kicked you, huh?

G. O. BALL JAN. 28

The plans for the annual Girl Officers' Ball, named "Wonderland by Night" are well under way. The winter formal will take place on January 28, 1966 at the Lowell Memorial Auditorium.

Next Ball—April 15

On April 15, between 7 and 12 P.M., the Cadet Officers will hold their annual ball at Lowell Memorial Auditorium. Tickets are priced at $5.00 a couple and may be purchased from any of the Cadet Officers.

All are invited to attend this truly spectacular event of our school calendar. It offers a pleasurable evening with formal dancing and the sabre drill.

Spectators may come to the Auditorium to view the ball.

Queen Sandra

On the night of November 25, elated with the morning's football game, a good many students from Lowell High attended the annual Victory Dance at Lowell Memorial Auditorium to dance to the music of Billy Note's Orchestra. Awards were given to Sandra Angier, who was selected by the senior class as Victory Queen, and Donna Griffin, runner-up.

ECC Hears Talk

Miss Marjorie Butterfield, an experienced traveler was the guest speaker at the February meeting of the European Culture Club. Miss Butterfield brought along many colored slides of Switzerland and the Netherlands.

The excellent photography of the Matterhorn, the Swiss Alps, the canals and dikes of the Netherlands, and the adorable wooden-shoed children was a treat to all. There was much to be learned of the culture and ways of some of the European people. This meeting was definitely the most interesting of the year.

Generalcy Drill

The Generalcy Drill will be held in the high school annex on February 9, 1966. This will be held in order to select the general and his staff for the drill regiment.

A staff of officers from Fort Devens will come to judge. Points are awarded on the company formation and the officer who is trying out. The majority of the points are awarded on the basis of the candidates' ability in: military appearance, leadership, voice and military command.

Trips For New Ski Club

Lowell High School now proudly boasts of a new club, the Lowell High Ski Club, which was recently organized under the capable leadership of Mr. Brendan Sullivan. Officers selected include: Forrest Huntley, President; Robert Fawcett, Vice President; Donna Shanahan, Secretary; and Maryann Lamond, Treasurer. Under the guidance of Mr. Sullivan the Club recently held a Ski trip this season.

Twirlers Compete

On February 6, 1966 the Baton Twirlers will be traveling to Pawtucket, Rhode Island. They will compete in a contest run by the Rhode Island Baton Twirling Association.

Those anticipating the contest are:

Judi Chamberlin, Mary Swiderski, Pat Nida, Diana and Anita Richard, Debbie Sponholtz, Sharon Sheehan, Mary Garabedian, Debbie and Dennise House, Tina McMenian, Sandra Oljartz, and Dotty Parigian.

The twirlers are under the direction of Mrs. Barbara P. Capone.

Parlez-vous Espanol

On Tuesday, February 1, the College Board Oral Comprehension tests in Spanish and French were given in the language lab. Twenty-three students from Lowell and St. Joseph's High Schools participated in this thirty minute examination, which challenges the student's ability to comprehend the language at normal speed.

This test is a voluntary supplement to the written achievement test given throughout the year. Thus, the colleges do not require this board for admission, although some utilize it as a criterion for placement. Scores will be reported only at the student's request.

Business Club Talk

The Business Club met at the close of school on Thursday, December 2, 1965. Guest speaker was Miss Marilyn Cyr from Lowell Commercial College. Miss Cyr discussed opportunities in the business world for high school graduates. A question and answer period followed the discussion. Also giving reports at the meeting were Joseph Cigliano, President of the Club; Sandra Angier, Vice-President; Joan Maguire, Secretary; and Patricia Dinsmore, Treasurer.

Before you accept that first job . . .

Look over your employer as carefully as he does you

What's the Company like anyway? Would I be proud to work there? Reputation for square dealing with employees? Pleasant surroundings?

Will I be working with others my own age? Are they friendly? Do they socialize after hours?

Will the boss be reasonable? Appreciate good, hard work, but won't explode if I make a mistake?

Will I make a decent week's pay? Have a chance for raises, advancement, more responsibility? How about fringe benefits?

Is the work challenging? I had what it takes to get through high school. Will they give me a chance to use my brains?

Note: Many young men and women in this area can answer "Yes" to these questions. They work for New England Telephone Company . . . New England's largest employer.

Why not talk with our employment interviewer soon . . . before you graduate? Ask your Guidance Counselor to tell you when and where to apply.
